yield calculated by interpolating between the yields offered by other insured depository institutions on deposits of the next longer and shorter maturities offered in the market. A market area is any readily defined geographical area in which the rates offered by any one insured depository institution soliciting deposits in that area may affect the rates offered by other insured depository institutions operating in the same area.

(c) *Waiver.* The FDIC may, on a case-by-case basis and upon application by an adequately capitalized insured depository institution, waive the prohibition on the acceptance, renewal or rollover of brokered deposits upon a finding that such acceptance, renewal or rollover does not constitute an unsafe or unsound practice with respect to such institution. The FDIC may conclude that it is not unsafe or unsound and may grant a waiver when the acceptance, renewal or rollover of brokered deposits is determined to pose no undue risk to the institution. Any waiver granted may be revoked at any time by written notice to the institution. For filing requirements, consult 12 CFR 303.243.

(d) *Exclusion for institutions in FDIC conservatorship.* No insured depository institution for which the FDIC has been appointed conservator shall be subject to the prohibition on the acceptance, renewal or rollover of brokered deposits contained in this § 337.6 or section 29 of the Federal Deposit Insurance Act for 90 days after the date on which the institution was placed in conservatorship. During this 90-day period, the institution shall, nevertheless, be subject to the restriction on the payment of interest contained in paragraph (b)(2)(ii) of the section. After such 90-day period, the institution may not accept, renew or roll over any brokered deposit.

(e) *Deposit brokers.* (1) A deposit broker shall not solicit or place any deposit with an insured depository institution unless it has provided the FDIC with written notice that it is acting as a deposit broker. The notice may be in letter form and shall describe generally the history, nature and volume of its deposit brokerage operations, including the sources and placement of such funds. The notice should be submitted to the Federal Deposit Insurance Corporation, Office of Compliance and Special Activities, Division of Supervision, Washington, DC 20429. The notice shall be effective upon receipt.

(2) A deposit broker shall maintain sufficient records of the volume of brokered deposits placed with any insured depository institution over the preceding 12 months and the volume outstanding currently, including the maturities, rates and costs associated with such deposits.

(3) The Director of the Division of Supervision or designee may request, from time to time, quarterly written reports from any deposit broker regarding the volume of brokered deposits placed with a specified insured depository institution and the maturities, rates and costs associated with such deposits.

(4) When a deposit broker ceases to act as such, it shall notify the FDIC in writing at the address indicated in paragraph (h)(1) of this section that it is no longer acting as a deposit broker.
